"The land was perfectly flat and level but it shimmered like the wing of a lighted dragonfly. It seemed strummed, as though it were an instrument and something had touched it"
-Endora Welty

"Our Story Remains unwritten. It rests within the culture, which is inseparable from the land. To know this is to know our history. To write this is to write of the land and the people who are born from her."
-Haunani-Kay Trask
